

Welcome from the Geography Department!

Wherever you go over the summer holidays, we want you to think about the places you visit. At one place that you find interesting, buy a postcard, write me a message about what you like about it, and post it. (Don't forget a stamp)

It will be brilliant to see where you have all been!

Send them to Mrs Freeley, Putney High School, 35 Putney Hill, London SW15
6BH
